

Logo/Website/Printing Package

Our affordable logo/website/printing design package caters to the needs of all types of businesses and churches, whether large or small. The design we create for your business or church will portray the identity you are looking for. Our logo design will be effective on stationery, t-shirts, bags, advertising material and other printed items.

Package Includes:

Logo Design

Our Mission is to create a unique and effective logo design for your business or church. We will analyze your objectives and target market to ensure characteristics of your logo design such as font face, color or whether to include a graphic or symbol will be given careful attention and consideration. We will work until you are 100% satisfied.

Control the mood of your client with proper color choice. Remember, color is the first thing we see and the last thing we forget.

Blue: loyalty, fidelity, constancy.

Red: warmth, hunger, excitement.

Gray: neutral, humility, wisdom.

Yellow: intellect, faith, goodness.

Green: neutral, humility, wisdom.

Purple: royalty, justice, truth.

Orange: paradise, fire, luxury.

White: light, air, friendship.

Below are a couple of "new identity" packages done by Ink House Design, Inc.
